

Staying in the Loop...

How to find out what's going on!

Important Contacts:

Main Office: 703.923.2700

Attendance Line: 703.923.2727

School Home Page:

<http://www.fcps.edu/RollingValleyES>

▶ Ways We Communicate:

- **Friday Folder:** A folder with student work and other information from the school and PTA will be sent home each Friday. Please sign the outside of the folder and have your child return it to school as soon as possible.
- **Weekly Newsletter:** Classroom teachers publish a weekly newsletter with specific news from the class and grade level. Newsletters are sent electronically each Friday to families who have provided an email address to the teacher. Otherwise, a paper copy will be sent home in the Friday Folder.
- **Schoology:** Schoology is our FCPS Learning Management System (LMS). Each student has a Schoology account and it is used during the school day to access parts of our curriculum and complete assignments. Additionally, teachers post information about assignments and/or projects. Students will have access to resources for many of the specialists, including PE and library.
- **SIS Parent Account:** The SIS (Student Information System) Parent Account is an online tool parents can use to access information about their child's attendance, report card, discipline incidents, health information, and more. Parents new to FCPS will receive a letter in the mail with instructions on how to create an account.
- **Facebook:** Rolling Valley maintains a Facebook site that reports on school happenings. It can be accessed at <https://www.facebook.com/RollingValley>.
- **Twitter:** Follow Rolling Valley on Twitter @RVESrobins.
- **News You Choose:** Sign up for News You Choose (https://public.govdelivery.com/accounts/VAEDUFCPS/subscriber/new?qsp=Rolling_Valley_ES) and receive a weekly informative message from Dr. Boland. Additional messages may be sent out as needed. You can also use this service to select other school district information including messages from School Board members, departments, programs, and PTA/PTO and booster organizations.
- **E-mail /Phone:** Each teacher has a voice mailbox and an e-mail address that can be accessed at any time to leave messages. Please try not to leave time sensitive messages, such as a change in transportation, in a voicemail after the school day has begun as there is no guarantee the teacher will be able to access her mailbox during the instructional day. For those types of messages, please call the main office and they will get a message to the teacher. Teachers check e-mail at least once a day and should respond within 24 hours.

Welcome to Rolling Valley!
