Summer Reading

2021

Welcome to Rolling Valley! As one of our newest "Rockin' Robins" we encourage you to read!

Parents, reading to your child is the most important activity you can do together to prepare your child for academic success. After reading a book, simply write the title on the back of this paper and cross off any reading activities you complete. Have your kindergartener return their board the first week back to school in August.

The Fairfax County Public Library also has a summer reading program and we hope you will join that one too.
